

South Bay Fire Email

The following volunteer has been assigned a South Bay Fire Department email address. :

Member: _____

Login: _____@southbayfire.com

Password: _____ Pass1234

(Note: Password can be changed at login. This is recommended.)

All Department correspondence will be sent exclusively to members' Southbayfire.com email address. To access your email go to: <https://remote.southbayfire.com/owa>. You can also login to your account from the department website, www.southbayfire.com on the lower, right side column. When logging in – just use your login name – do not type @southbayfire.com.

If you want to receive your emails on your smart phone, follow the directions below. If you prefer to have your Southbayfire.com email address forwarded to another email address or need help, please call our IT service **Ategan at (360) 528-3426** and they will help you and/or set that up for you on our server.
